YOUR JOURNEY

This Journey will be split in TO 4 Legs. Each duration will be 6-7 days on Leg 1 + 4 only 1 Harbour or Marina Day, also you can extend your vacation at your pickup or dropoff destination.

1st Leg Lavrion - Palermo with appr. 770 NM
2nd Leg Palermo - Mallorca with appr. 530 NM
3rd Leg Mallorca - Malaga with appr. 480 NM
4rd Leg Malaga - Teneriffa with appr. 770 NM

Leg 1 + 2 + 3 are suitable for the right Sailors as Ocean trainings to take their sights for the missing Astronavigation and to complete the passage.

Leg 4 will offer the same possibilities for every sailor about the sights and as well there is space for the right candidate to make his Ocean passage. You have to make the passage plan as you know and will be leading the Yard as a responsible 1 Mate. The Skipper will overview your job and give you a hand if required or necessary in every way.

SEXTANT AND SIGHT REDUCTION TABLES ARE AVAILABLE ON KOOKOO

There will be a "Watch-Shift-System" and you can be part of every activity and duty on board as long as you wish. There are a lot of jobs while sailing to do.

Steer the boat (helmsman), be crew for your helmsman, preparing food for yourself and for the crew together with your crewmembers. You will become a competent crewmember quickly.

Nightwatches are taking place as well and you will be impressed from the stars out on the sea at nighttime.

You will sail with an international crew and for sure this will become one of your best experiences ever.

Everyone is very welcome to join our crew for this amazing trip through the different cultures and Areas in the Mediterranean Sea. Doesn't matter if you are experienced or Unexperienced, if you have plenty of seamiles or you just started to sail.

Don't hesitate to contact us and ask if there are more questions from your side.

Leg 1

Lavrion 19/10 departure – 26/10 Palermo arrival

Our first leg will be a very tough one, because there are a lot of miles to go (ca. 770 nM) in 1 week but you will change areas and we are passing by a lot of famous and historical places.

The Saronic Gulf, the Corinth Channel, the Corinth Gulf, the Ionian Sea, and finally the Street of Messina. You will see active Vulkans and the amazing beautiful Liparian Islands befor we reach our destination of Palermo.

We are waiting for you , so come and join our crew.....

Leg 3

Mallorca 2/11 departure – 9/11 Malaga arrival

A trip with a short crossing from Palma to the spanish Mainland. In total around 430 nM with the possibilities to make at least 2 stops. You will have time as well to explore the spanish coast and the spanish citys. For example Cartagena where you can visit an antique Roman theatre from the 1st century and as well Villa Casa de la Fortuna with plenty of mosaics and Wallpaintings.

Your journey through the antique times is waiting for you.....

Leg 2

Palermo 26/10 departure – 2/11 Mallorca arrival

The second leg is more relaxed there are only 530 nM to go. After our departure from Palermo are we heading of to Cagliari the Capital of Sardegna. There we will time to explore the historical past of Cagliari. You can visit the Cathedral from the 13th century or several museums.

After your day ashore we start to Palma de Mallorca

A leg whats worth it to book.....

Leg 4

Malaga 9/11 departure – Canaries 16/11 arrival

What to say about this Leg. It will give you first of all the possibility to see Gibraltar and a walk on top of the Rock to see the monkeys. After your captain finshed the final check

You are heading of into the Atlantic Sea, passing by Tarifa and the Moroccon Coast. Afterwards you will stay outside for a couple of days without seeing land which will be an amazing experience.

We are waiting for you to join us.....
